

Outpatient Psychiatry Opportunity

Community

Greenwood, S.C., is a beautiful community of 30,000 located in northwestern South Carolina and surrounded by rolling hills and gorgeous lakes, with more than 200 miles of lake shoreline. Recreational activities abound, including golf, tennis, water sports, hunting, cultural performances and more. Greenwood has been recognized as one of the Top 50 “Best Towns in America.” Greenwood also hosts the South Carolina Festival of Flowers, named one of Southeast Tourism Society’s Top 20 Events. Greenwood is within an hour’s drive to several metropolitan cities, international airports, and within two hours of the mountains and a little more than three hours of Atlantic beaches. Greenwood has an excellent public and private educational system, which includes a technical college and a university. Greenwood is a place where safe and easy family living comes first.

Opportunity

Western Carolina Psychiatric Associates is a Self Regional Healthcare-owned practice in close proximity to the medical center. We are seeking BE/BC general psychiatrists for outpatient work. Psychiatrists will be hospital employees with full benefits including 403B, medical insurance, paid time off, CME days and reimbursement, and malpractice insurance.

Hospital

Self Regional Medical Center is a 414-bed regional referral center. A new 224-bed patient tower opened in August 2006. The hospital is also home to a 27-resident family medicine teaching program. Self Regional was named one of the world’s top 20 “Great Workplaces” by the Gallup organization for the last three consecutive years. The medical staff is comprised of more than 200 physicians representing 40-plus specialties and subspecialties.
